

Poster presentations.

Poster presentations will be displayed in the Trade Exhibition area for the duration of the meeting. Poster presenters will be available to discuss and answer questions during the delegate lunch break on Tuesday 23 March 2010. Delegates are encouraged to view the posters during this time and discuss with the presenters.

The poster display area is proudly sponsored by GlaxoSmithKline.

- 1 Haemophilus Influenzae Causing Intrauterine Foetal Demise in a Monochorionic Twin Pregnancy at Term
